Dear Mr Singh

Thank you for your organisation's recent Pre-qualified Supplier (PQS) application under the 2016-17 Queensland VET Investment program.

I am pleased to advise of your success in obtaining PQS status under the 2016-17 Queensland VET Investment program commencing **1 July 2016**, which will remain in place until **30 June 2017** unless otherwise notified in writing by the Department.

The enclosed *Delivery Schedule* outlines the qualifications approved for delivery, and your Pre-qualified Supplier Number for reporting purposes – QS101695

Also enclosed is your copy of the executed Vocational Education and Training (VET) Pre-qualified Supplier Agreement between the Department and Australian Education Academy Pty Ltd.

DET's systems have been updated in 2016-17 to validate that PQS have undertaken the relevant eligibility checks prior to enrolling students. Any student enrolled without the PQS completing an AISS search to help confirm whether the student previously attained a certificate III or higher-level qualification, will trigger an error on DET's systems and no payment will be made against this claim.

It is important to take the time to read and understand your responsibilities and obligations under the revised agreement, guidelines, and policies for 2016-17.

Any training and assessment conducted prior to the commencement of your PQS status cannot be claimed, or paid for, under this agreement.

Please contact VET Investment on 07 3328 6893, or email vetinvestment@dete.qld.gov.au, if you require help with this advice.

Yours sincerely
